

SAI

Visa Application Procedure

You will need a passport in order to apply for your visa. If you do not have one, please apply immediately and pay to expedite the passport application.

SAI will process student visa applications for students residing within the jurisdiction of the **Boston, D.C., Detroit, Houston, Miami, New York, Philadelphia, and San Francisco** Italian Consulates. Students may complete their application for a student visa based on the Italian Consulate in their home jurisdiction or to the Italian Consulate in whose jurisdiction they attend school. Students with European Citizenship do not require a visa.

Please note that it is a student's responsibility to submit ALL required materials by the due date to SAI. Incomplete applications will not be processed. Students without a proper visa may be unable to attend school in Italy. Furthermore, SAI cannot guarantee the timely return of your passport and visa if these deadlines are not met. Questions should be directed to the Visa Coordinator at SAI: visas@saiprograms.com

If you plan to depart several weeks prior to the start of classes, or will need your visa prior to the start of your program, you will be responsible for obtaining your student visa. This holds you responsible for ensuring that you have your passport & processed visa in time for your departure. Please contact the visa coordinator immediately.

If you will be attending multiple sessions, be sure to notify SAI's California office of your plans as soon as possible. Obtaining a visa for your entire period of study requires that you submit a program application and the required deposits and fees for all terms so acceptance letters may be issued for the full period of study and can then be submitted to the Italian Consulate. You must apply for the full period of study before you depart as it is not possible to obtain a student visa or to extend a student visa while in Italy.

It is MANDATORY that all students who will be submitting their visa application to SAI do so no less than 75 days prior to departure.

With that in mind, please send the required materials to SAI as early as possible, as we can begin your visa process 90 days prior to departure.

If you do not meet the deadline of submitting your visa application materials to SAI, you may be responsible for applying on your own for your student visa.

It can take anywhere from 30 to 60 days (in some cases, it may take more or less time depending on the particular Italian Consulate) for your visa to be issued and returned with your passport to SAI after the Italian Consulate receives it. SAI will return your passport & processed visa (which is attached to a page in your passport) to you in the prepaid, self-addressed, Express Mail envelope you have provided.

COST: \$250 For those students submitting their visa application to SAI.

If you wish to apply on your own, you will need to verify the specific requirements of the Italian Consulate in your jurisdiction. **Please contact SAI to request the additional letters (Letter of Enrollment, a Letter of Acceptance from the Italian Institution, Insurance Letter and your Course Schedule) that complete your visa application.**

Italian Consulates have the full authority to evaluate and request additional documentation, if deemed necessary, in addition to what is submitted. Submitting all required documentation does NOT guarantee the issuance of any particular visa.
